1. Reference attached message and transmittal slip, the following is submitted:

a. Data sheets (System III) did not arrive in Headquarters for Mission 3235.

b. [] asserts that data sheets are included inside tape cans (per [] 0435).

c. Data sheets were not inadvertently included with System VI tapes to [] 6795).

d. COMMO has taken no further action in the matter.

e. ID/OSA is sending out a message to [] requesting that information from data sheets be transmitted to Headquarters.

25X1

2. In view of the above, perhaps an investigation should be initiated by the Security Staff into the "loss" of the System III data sheets for Mission 3235.
